Snow,

So help me here...

Did I remember everything....

First I had the dream and saw it as real. Down to the smallest detail. The friend.

So in my mind it is already happening. I am very grateful indeed.

I prayed to manifest it in this "time" and "space".

I prayed and I sobbed tears of joy and continue to do so.

My faith is strong... I just like to pray!

I turned it over to God let it be his will not mine. AMEN.

I hold the thought of my prayer in mind and manifest plans and am prepared.

I took action steps to get a passport to go on my trip, it will be needed. step for me.

I took the action step to check out airfares, my concern and my prayer for service and do not earn a living of dollars and cents.

What more am I to do?

I am sure this journey follows my destiny...

Love and Gratitude,
suzyq
