Hi David, The issue of free will is complex. You ask why should we be gi
free will, then the bible tells us what not to do and what to do. The prob
and evil. We need instructions as to what is a good path versus what is a
from Adam and Eve eating the tree of knowledge, of good and evil. Which
when they did that,. Before that, there was only good. Now we have to ha
we have to know what is good and bad, to choose freely and rightly. That

The other planets that have not fallen, also have free will. However dual
have earth to look at, to see that; and understand what death, rape and
However the tree of knowledge; of good and evil is on every single one o
use free will to eat of it and become like earth is, if they want to.. So fa
The tree is there, but all use free will not to eat from it, because if they
ect will start to manifest there. Who would want that, after seeing what i
would!

Eve was lied to and tricked into eating from that tree by a higher power
Ands thats why we are given a second chance down here to do the right t
to make DAMN SURE we get that second chance. Because our first parent
lied to and tricked, about this whole issue of free will, good and evil, ec

I realize free will can be manipulated and abused in an environment like
elders to helps others along and just try to do the right thing, always. W
make that much of a decision at least. I understand your concern, I have
decades myself.. Hope that helps explain some of it..peace
