True love is not defined by law. The most precious gift one can give in t

Become individuals and speak what it is you wish to speak. Organization messages. When we all work together towards a common cause independe much larger and reaches a wider audience. Be brave, put yourself out the

Omnipotence is not perfection. It is potential. My god is not a who, it's a and all that lay within. One is a reflection of the universe. Anything one potential of knowing, anything one wishes to do, one has the potential of Everything that is the creator, is a part of you too. The creator gave birt birth to all. We all share the creators DNA so to speak. I appreciate your concern is for the people. I am fine. Look at this world, look what we fig headed... and you are concerned for me? Okay... :) God is all that is, tha All that is, is all that is. You are included. One is in control. You are yo in actuality one does not pray to a pre-conceived "religious" God. One as All powerful? Yes, without the mind one is not here, now you tell me wha one's very reality and existence? It is the mind. Therefore the mind is ca One has unlimited power and authority over one's self. One creates and so desires, when one realizes this, one can really begin to take control. does it. If God is all that is, then God is all that is. That means mistakes extro-spection(view from outside all that is biased, all that one has been move and spin from outside of this universe and these pre-conceived not viewing things from outside of this minds restrictions and hardwired ways conceptualization of consistencies without expectation, all things are sim wrongs, no rights. They are happenning with the natural flow of things. T When one can accept this, one will realize even more of what I speak. Ye small picture is ; One can correct one's own mental faults that are, when recognized. The best advice I can give is to take control of your life. Sto seeking answers, instead seek truth. Be kind and gentle to everyone. It's our instinct is not always to be nice. If you are always thinking about be thinking correctly. You will naturally become more smart. Your brain will instead of winning and ego. I just woke up here, so good morning :) One' success and failure, not the other way around. One can even be in contro stop one's own heart. One can take one's own life. The responsibility is you speak of can be reached here on this Earth. Success gains its beauty One need not material objects to prove one's success, one's success sho spiritually and emotionally. When one doubts (one's self), one doubts all always have confidence, contemplation is best. Doubting does not seek t seeks failure. To effect the future, we must act in what is the perceived
