I opened up so that more of my kind who naturally understand will come to guide us back to love and peace. It is true... to understand creation... your faults. You understand its naturalness... you understand man's ego and ego of yourself. :) Perfection can be found in imperfection. The creator just is. The creator is the creation, and in being so that we are capable of being the best that he/she/it/US are capable of. We are the change, we are the result. Love is within us and we are all within one another.

Why do we deny what the future will bring when there is no change in the future?

Anything and everything you've ever wanted to change... just do it... start with an empty. Write a new story.

Fallacies cannot be discussed in truth, only debated. There is no peace without acceptance of the paradox, and a paradox is not the truth that is to be solved.
