Title: Yes Sir That's My Kind Of Gal

It has long been conteneded that there are male jokes and female jokes.
Here is a joke I consider a true female joke.

I offer it to you in hopes that women will love it (made me laugh) and me
women who will laugh and love it).

JOKE:

A women was sitting at a bar enjoying an after work #OOPS#tail with her
extrememely tall, handsome, sexy, middle-age man entered. He was so st
could not take her eyes off him. The young-at-heart man noticed her over
walked directly toward her (as all men will).

Before she could offer her apologies for so rudely staring, he leaned ove
do any! thing, absoulutely anything, that you want me to do, no matter ho
condition."

(there are always conditions!)

Flabbergasted, the women asked what the condition was. Then he replied
you want me to do in just three words."

(controlling, huh?)

The women considered his proposition for a moment, then slowly removed
purse, which she presses into the man's hand along with her address. Sh
eyes, and slowly and maningfully said...

"Clean my house."

HA! HA! HA! HA!
Love and Lighthearted,
