I read about implants of physical and non-physical forms. Whichever they by dark entities to achieve their ends. "The best way to get rid of alien implants and negative elementals is to l in the process to remove them for you. I would recommend that on a regu meditations, you call to the Ascended Masters Djwhal Khul and Vywamus Vywamus sweep through your four-body system with his golden hands [lik all. Afterwards, call forth from him a golden dome of protection."

Such a short mantra, and yet the words here lead you the reader to a qui alien entities. As a side-point, I once asked a Christian Minister to dis-p serious alien implant problem - only to find out that he wouldn't. You SE she couldn't ask, and the Minister wouldn't help unless she asked! ~Joh

(have a go on this site, but as always, discern what you read) http://www.fourwinds10.com/new... e-manipulation-techniques.html

Having contemplated that, and from my years of observing the Ascended help to remove anyone's implants unless the person asked. The person m conscious acceptance of the possibility that they are implanted. Then, th ask Divine assistance for the implant/s to be removed. Now, isn't the "sa not, just invoke Divine assistance to cleanse self. After all, a drunk pers to be drunk. But watch out, only after a few steps... lol

May All of the Light bath in the Golden Light of Divine Protection.
