Briefly, I'd like to make note of a few differences.

Yin energy is the male essence and Yang energy is the masculine or mal

The Governor channel I have been chatting about is in charge of the Yan
Lungs
Spleen
Heart
Kidneys
Circulation- includes sexual arts
Liver
Tissues (tendency)

The Functional channel works with the Yin organs:
Colon
Stomach
Small intestine
Bladder
Triple Warmer
Gall bladder
Blood

There are entire books and so much research on just this topic alone, so
brief introduction at best.

Remember also the idea is to balance out the entire system.

For instance, I was very upset having to have my gall bladder removed a
would effect my energy flow for a short time. The amazing thing is when
properly and with supervision, your body can learn how to compensate fo
puzzle, as mine did in many instances that would follow. My body learned
meridian point and create a new pathway. How incredible! If only everyon
marvelous natural workings of their own bodies and the healing abilities
much unnecessary suffering would end.

Are you curious yet why I took the time to learn such an art? Well if you
why. I was dying. I had a brain stem injury and the medical community to
exploratory surgery, with a 70% chance I would be a parapalegic when th
"practicing" on me!

I walked away and found another path. God led me to a small martial arts
the time, however in it contained the most incredible teacher to behold.
cover! I am glad I did not. Within 4 months I had made a full recovery. T
had the drive to continue on and practice more and more each day. I nee
picture and had the tenacity to find it...so I stayed there until I had. Eac
where we stick with something until we learn everything there is to learn
doomed to repeat old patterns or die.

Who has a story for me?

Love and Light,
suzyq
