Hi

Its about time i found a good fun (and saucy) forum. My name is Mandev (my real name) and i am BoF's newbie! I am London lad (a monster 32!) and have a few of these:

A young woman approaches the cashier at the supermarket and starts putting her purchases down. The cashier watches until she's put down all her items and says - You're single aren't you?

The woman says - Why yes I am single, that's amazing! You must have a good eye as a cashier to be able to determine someone's status based on what they are buying.

The cashier replies - No, you're ugly!

A binman knocks on a Japanese blokes door.

The jap man says "Harro" and the binman asks "where's your bin?"

" I bin on the loo!" he replies

"No mate, where's your dustbin? he asks".

" I dust bin on the loo I told you" he replies

"Mate where is your wheelie bin?"

" Ho K" says the jap man

" I wheelie bin havin a w*nk"
