It's nice to hear that some of it is working... over there in the middle ea

The fact to spread democracy is true and dictator ship in no fashion shou
also need to learn and show the world how and why we need a democratic
Now being polish and knowing what happened and how many take offence
wasn't communism.
It was dictatorship under the disguise of being a communism now if we e
communism.
Where on any discussion it is voted on by members it takes us second ye
should be about...
Since this is a community we are communism as what some one does will
good of the whole is overall.
I think and fear many people may have thought this is site is another dic
better way is suggested, then it is accept if the whole says so..

This is already been written in the charity document on the site right fro
basically to take from where Christ left on and this time to finish it and
peace.
In a world democratic community/communism
