Well after just going to chill out in the sun and listen to the birds, for th
between a band....
(Swap black note for the main scale including B# and E#; use white for f
has its own inheritant expression or feeling to it)
Then you will start to see with the bird's melodies what they feel in the w
expressed....

Why am I adding it to this thread...?

As the way it works in a conversation with birds is there is a clear melod
that follows the rhythm off life to miss a bit by over talking is rude and r
synchronicities.

So in a democracy it has to be this way, we have lost this since the fall,
with this fact, that we can communicate with birds and most animals thro
communication, as I mentioned...

We have also lost this point that when the first was speaking, it normal t
said it disagreed it let it speak first, and then it replied why it had misu
left it to the wiser one.
Not an argument in sighted from a mistiming of the actual statements in

This is a good reason for a forum, in some ways, yet it can still happen y
person..

So if we as people will ever get anywhere we need to take this basic prin
communication system. And pauses spending the time to allow the other
think about how a true guru or enlightened person is, they do this and ad

Yet a lot it is overlooked... with in our democracy if we think of how our
yes they are supposed to wait.
Yet you also should pause in any matter, for second, for a breath; before
How many of us do this in everything..I am going to practise and hopeful
first within our self's and then as global community; learning to take tha
does!
The only time I have heard birds not doing so, is in a fight where it beco
conversations...

So there is no debating,
There is just relating,

It's a rhyming end,
To hopefully mend,
To find a way,
In how we say,
To rescue the day,
For a democracy;
Instead of affray
