Specifying the aims of Wizanda as a charity fully.

Each will be addressed in a full description, in ways that the charity may

1). To unite the religions through global understanding of the points acq
charity.
2). To help in global re-climatization through free projects available to u
information to distribute; as to fix the world for free.
3). To seek out other charities that wish to work on a unified, global sca
have.
4). To organize and help fund events in major cities centres, where as to
the street, under a non religious banner, yet all as one.
5). To assist in networking of the communities ideas, to develop and pro
people in life; with the funds of said idea always, going into the charity.
6). To assist in the production of music and art globally to produce a nor
artist wishing to distribute their work without cost.
7). To develop a non hierarchical structure within the charity, and to dev
democratic communism, in which people vote for what they think is the b
the charities funding, being spent in the community, for the community.
8). To help and organize the new churches, as to be community centres g
God is shown above all and there are to be people there to help 24/7 and
9). To insure a system of security within the charities own infrastructure
embezzlement and all fraudulent activities by any members, in the contin
by defining all points before they are needed.
10). To allow ordinary people without being ordained, to be classed as a
establishments, when investing time in the charity.
11). To organize and hand help in events in which people in care due to
opportunities and security, to be a part of said ideas, as to help develop
encouraging them through love, to be part of the community again.
12). Through the charities resources, to make a permanent place with all
develop between the world a new book, which caters for our children, and
a guide to life for all.
