Quote:

Afterwards he shall become a sea-fish, who, being roused up with the his engender with him. From hence shall be produced three thundering bulls, pastures shall be turned into trees. The first shall carry a whip of vipers next. He shall endeavour to snatch away the whip, but shall be taken by away their faces from one another, till they have thrown away the poison succeed a husbandman of Albania, at whose back shall be a serpent. He ploughing the ground, that the country may become white with corn. The diffuse his poison, in order to blast the harvest. A grievous mortality shall and the walls of cities shall be made desolate. There shall be given for a which shall interpose the nurse of the scourger. For she shall bear a dose time the island shall be restored. Then shall two successively sway the s dragon shall serve. One shall come in armour, and shall ride upon a flying his back with his naked body, and cast his right hand upon his tail. With moved, and he shall strike terror into the second. The second therefore s with the lion; but a quarrel happening, they shall encounter one another. another, but the courage of the beast shall gain the advantage. Then sha and appease the rage of the lion. Therefore shall the people of the kingd provoke the lion to a dose of physic. In his established seat he shall adj stretch out his hands into Albania. For which reason the northern provinc open the gates of the temples. The sign-bearing wolf shall lead his troop with his tail. He shall be opposed by a soldier in a chariot, who shall tra boar. The boar therefore shall ravage the provinces, but shall hide his h man shall embrace a lion in wine, and the dazzling brightness of gold sh beholders. Silver shall whiten in the circumfrence, and torment several w drunk with wine, and, regardless of heaven, shall be intent upon the eart turn away their faces, and confound their usual course. Corn will wither there shall fall no dew from heaven. The roots and branches will change novelty of the thing shall pass for a miracle. The brightness of the sun s Mercury, and horror shall seize the beholders. Stilbon of Arcadia shall c of Mars shall call Venus. The helmet of Mars shall make a shadow; and t bounds. Iron Orion shall unsheath his sword: the marine Phoebus shall to shall go out of his lawful paths; and Venus forsake her stated lines. The shall fall down in rain, and slay mankind with a crooked sickle. The twelv lament the irregular excursions of their guests.; and Gemini omit their us urn to the fountains. The scales of Libra shall hang obliquely, till Aries them. The tail of Scorpio shall produce lightning, and Cancer quarrel wit upon the back of Sagittarius, and darken her virgin flowers. The chariot the zodiac, and the Pleiades break forth into weeping. No offices of Janu his gate being shut shall lie hid in the chinks of Ariadne. The seas shall

eye, and the dust of the ancients shall be restored. The winds shall fight
blast, and their sound shall reach the stars.
Kings of Britain by Geoffrey of Monmouth
