If you look at this name in english Filistatidae = flint stones where they
EGG of spider, like child), that are way in advance of our selfs even till
much to learn, if we didn't chop it up!
We would see that the web and structral design is far better still then ou
shuttle design as we slowly seem to see!

God is a creative spider now with in reality and not as people think in th
So please warn people not to hurt reality and think badly smile every one

Honestly the fake church of 'I am or spire =ch monument = th or Th....As
large...still as langauge stems from aarroncient Eygption
and many others who don't say 'I am' or as jerimaiah puts it 'God says=

Come on everyone learn the song it's not hard and then we can see the t
Yet we fear many have been way laid with fear and doubt from fake proph
who say 'I am' as Christ = we are one family of GOD's not 2 and anyone
loopy as we see from history books now we have the net to understand fi

Rememebr God is light and as such even in word it does shine for love is
