Since most biblical teaching stands on man's precepts as truth?
We will go over this for everyone from having seen heaven at 23, fulfilling understanding the 13 diadems or dimension and more...
So please ask questions if you are unsure, yet we feel heaven, so if we feel heaven is our guide and so we don't wish to argue over God's things; yet we will

Quote:

So says One True God, Heaven is my throne, and earth my footstool. Where will I build for me? And where is the place of my rest?
For all those my hand has made, and all those exist, says one true God. The afflicted and contrite spirit, and the one who trembles at My Word.

To begin the universe we see is hell, Heaven is above quarks and atoms and science, yet we forget that all is spirit.
The fact many of you build churches stands against Yeshua i.e. Matthew 23 people keep trying to build a man made temple for God?
If we wish to build a temple as we will explain it must be done in uncondemned nature and trees so all animals can also attend.
In the process of man trying to build a temple in the Garden of Eden i.e. there is no longer any trace of this garden as it once was.

Quote:

He who kills an ox is as if he killed a man; he who sacrifices a lamb is as if he who offers an offering is as if he offered swine's blood; he who burns incense is as if he burns an idol.
Yea, they have chosen their own ways, and their soul delights in their abominations; they choose the things that delude them, and I will bring their fears on them (this means mans EGO), because I called, no one answered; when I spoke, they did not listen; they did evil before my eyes and chose that in which I did not delight. Hear then, O ye who tremble at His Word; your brothers who hated you, who cast you out, let them hear, that they may say, Let One true God be glorified.

Yeshua got drunk and so is therefore not a clean sacrifice in the laws of Leviticus. To hear after of sacrifices John, Paul and Simon Peter (the Pharisees) is all lies. The burning of incense and sacrifices in themselves and not as prescribed by God and so therefore will not lead you to heaven, in fact it is more likely to lead to a Dogma.
So that whole statement is almost too all religions and not just Jewish and Christian whole as this is hell, as it is the sole of God's foot or footstool.

Yet He will appear to your joy, and they will be ashamed.
A sound of noise from the city, a sound from the temple, a sound of One

If the music of the temple of God is played here then many of you would
last days, if this is heard, as it isn't sound yet everything we see as all
of the water's of life or fire depending how you look at it.

Have you ever heard a thing like this? Who has seen things like these?

Then you will suck, you will be carried on her sides and be dandled upon

as in the days of Jonah God is ever merciful.

Quote:

For, behold, One true God will come with fire, and with His chariots like
anger with fury, and His rebuke with flames of fire.

For by fire and by His sword one true God will execute judgment with all

In almost every judgement of God it is defined for when you die and so to
yet with what judgment you observe you will be judged by. Yet this applies
wisdom, as what is of the mind doesn't remain in death, yet wisdom does
between.
