Quote:

Those who sanctify themselves, and purify themselves to go into the garden in the middle, eating swine's flesh, and the hateful thing, and the mouse, will bring glory to the true God.

For I know their works and their thoughts; it comes to gather all the nations, and they will come and see my measure.

And I will set a sign among them, and I will send those who escape from Tarshish, Pul, and Lud, drawers of the bow; to Tubal, and Javan, to the farthest parts of the earth, who have heard My fame, nor have seen My measure. And they will declare my measure.

The sign is the abominations of desolation which was fought soon after Christ. It is the people who remain where Paul of Tarshish and Simon peter (stone).

So in saying that; this means Christianity on a whole and this is the motivation for this refers to and doesn't follow Yeshua/Isis in the slightest.

Quote:

And they will bring all your brothers for an offering to one true God out of chariots, and in litters, and on mules, and on camels, to my holy mountain, Jerusalem, God, as the sons of Israel (means God's kings- not some nation as we are Hawaiian or older not Jewish) bring an offering in a clean vessel into the temple.

That basically means music as to praise as taught by Osiris/Melchizedek. It is muddled in Egyptian conspiracy as occurred after the death of Osiris.

Yet in saying that Moses, idea of Egyptian customs and stories even though it is clearly not and is an appalling translation from Egyptian and Greek as you know.

Quote:

And I will also take some of them for priests and for Levites, says one true God. For as the new heavens and the new earth, which I will make stand before me, so will your seed and your name stand.

We have the option of trying the fig or water spirit ideas as we are or else. It shows who is a fire spirit and is said to bring heaven in to this reality, which is not. This would just mean Gold and shiny, it doesn't!

It means that we would again have no solidness to the reality and things are not as they are and is very dangerous for none angels as most people would kill them for their thought.

Quote:

And it will be, from one new moon to another and from one Sabbath to another, says one true God. And they will go out and see the corpses of those who have sinned against me; for their worm will not die, nor will their fire be quenched, and they will be an object of disgust to all flesh.
(Isa 66:1-24)

Isaiah is a good friend, yet really we must add some of his ways of relating to the world, which are many.

So in this which is spoken it is referring to this is hell and when some one dies they go to sleep and forget to go on to heaven.

As when you do die, you don't sleep the spirit in fact wakes up, well depending on what you have done.

So in this is how the temple of the lord can be worshipped, as above every temple, and indeed that is the reality, this is just a figment of imagination due to its many levels.

Also the more life an atom has the more God is contained on a quantum level. That is almost like dance music, which appears as a solid sound wave, yet when you move it makes it into music and we perceive the whole and don't notice that each step is again spaces, and again spaces.

So in understanding that, we can begin to see how spiritual this makes us. It is the ascended or enlightened teachers here who can then develop many skills in this environment.

Which you don't have in heaven; you simply know all answers, if you can understand what are beyond infinity and so there isn't time to think it is always now.

So hopefully many in saying this might recognize how ugly they are and how they have messed up.

This does not mean disabilities as some people might think or have said; it is a hindrance, as though overcoming tough obstacles you inherit a higher level. The overall step in the book of life becomes closer to heaven; if you overcome it leads to oneness.

Until you are beyond being a word in the books to needing your own book. You are worthy to sit in God's temple other wise there are no shortcuts.

This is also clearly apparent from many that we have seen and remember that we can so understand and can see their soul journeys on many occasions; through the 4th dimension (time and space) and the 8th (infinity), which to see clearly the 9th and chaos from the lies in society.
