If anyone has read the Tao and the bible

you may know what i mean

when i say that a lot of what lao Tzu and Yeshua said was similar

Also I have always found it strange that Lao Tzu when refering to death

says if you where to take the carpenters axe wouldnt this be the axe man

Was he refering to Yeshua when he said this?

It wouldnt surprise me as both men had a similar understanding of the he

Plus as we keep noticing as one person comes up with something so does

as we are all one as both men said
