Cool thxz for the Submission to articles, now if you noticed you can edit publishing system to use...so feel free to try diffrent styles of art surrou that...

Makes for oneness system....

If you Title it = Acts as main words for search engines

Tag it = acts as keywords to find your articles from people browsing tags also have Tag's soon)

These are just things to help people find yours works easier...

Also then when we transfer any work to a pdf or the forum which can be with transfer....it is labeled and summarized..so making hopefully a cool forum....

We will have to start discussion will observe your works and see unless answer?
