If you are wondering when prophecy will be fulfilled here is the reason the uniting of the people hasnt started most are intrested in money and much of the current problems are not to What i ask all muslims who read this to do is to realise the argument bet paul Paul had a established the round table in rome and changed the meaning The church he made is babylon and where it stems from Many are confused in todays situation most believe there needs to be a v this is not the case what we and all who still follow God need to do is to use the truth God does not need to fight as God is one and is wisdom he understands all so if we and all show people who believe christ is God,that isnt what he only due to paul fuffilling many prophocies about the fake prophet and the Changing the meaning to what many christians believe as christians came more will turn to the true God and Creator of all As both Christ and Mohamed intended Much of the Quran in the modern day has been altered to say Christians peoples) this is not as mohamed or the prophets did state As we and the God are one What many muslims need to realise is mohamed stated Yeshua(Jesus) is says stands as truth it is the extra add by paul that changes the meaning Also much of the old testament is Gospel that is Part of the muslim faith This can be confirmed by the dead sea scrolls as they match modern boo what has chaged is what Paul said, he is the part mohamed spoke of and allah to hear and to help As the more who help online and in the world spread the truth the sooner name of God Which is a sin in all senses as the 6th commandment is not to kill and th shown are the steps to heaven if you doubt it,wait till you die as i have and will see Peace B with U all in the True name of God/Allah, which can not be spoken as it is beyond s all things
