Thx for the info

Most of my dreams in my life have come true or have a reflection on my life. The dreams was to do with the ending of the age of kali, i was given a special influence with in the heavens

it appeared to be the caretaker as i have had in other dreams i.e. The ornate ceremonial robes of Asia

it is prophesied in Hindu texts of shiva's return and an end to the age of kali

I feel from what i have read and heard that Kali also tried to control Shiva

From the thing i have been shown in my life and many of the prophecies

resolve a lot of religious deutes with a true understanding of heaven and the universes spiritual aspects

the only thing i am not sure on is how to make it public knowledge

why i made this is site in the first place, in the hopes it would help show

yet as you can see not many people post even though 1000's look, yet people are to busy surfing

Any help would be appreciated.
