To Pat and all concerned,

It is rare to encounter one who is not just right on the money, but is also ahead of the game. All that has been said would be true of ours was a natural process of evolution. I don't believe that is the reason we are here.

Whether we are the 3rd of the host of Heaven, fallen from grace, or some other less favorable alternative, we did something that angered the spirit of the whole. So much so that he has subjected himself and all of us to a living nightmare in order to teach us a lesson.

The return to U/C Love begins when you realize you've made a terrible mistake, drop to your knees, and beg for forgiveness. Those who remain after the judgment will be wise to follow Pat's teachings.

The End Decision is not one to be made in this world. Only apon the return to the metaphysical reality made of Wisdon and U/C Love, will we be required to choose.

For those who remain in the physical reality, conditional

love, (conditioned on our own benevolence and willingness to share) and unconditional surrender will be our only option.

Love, Light, Truth, Peace
