To me cutting down trees is the biggest part of it as they produce ozone.

Yet then on speaking about cost of electricity this morning, and inflation
how much publicity saying how bad it is and how much we need to reduce
rising costs?
so i wonder how much is reality and as that says "the sun spots causes i

In which case we will still be in for a shock according to the Mayans sun

Point is though, i do feel all this added response from the media informi
getting, also gives the government more powers to increase costs, as the
the UK, thus imprisoning UK convicts even more.
