I hope you all don't mind a christain responding to this. I don't know ver what i do know I would like to comment on. I also do not understand wha forum.

People fight using the name of God and sometimes it is just. But many ti personally understand why the big deal about Isreal but I do know wht G mind who lives there but it was promised to Abrahams son, Issac. I have Ishmael is the proper son.

Either way, Ishmael got Persia, right? So, what is the problem? God gave princes that would be his decendants, the prophecies of Daniel in his ho Whatever.

I think we all have something nutty to fight about.

As for Paul and Babylon. Hold up. Persia is the cradle of babylon. It is men came from there, they knew about Jesus and brought him gifts and c to be a great and interesting part of our future. Any place Gods presence Another thing. I hate that we had to go over there, but we had to. How that idiot kill his own innocent people?The Butcher of Bagdad, duh! He s site. Strange thing is he will get a fast and fair trial unlike those he sho hung, ect... not trying to be rude but the people of iraq deserve everthin been tortured long enough.

Most muslims are cool. But I must say this. If the quran says that Jesus he says must be true.

Well, didn't he say to believe in Him and you would be saved?

I will never be a muslim basher so don't think I am being one now. But... you beleive in but I don't understand the concept of killing others to sco you know your quran because it is very violent one moment and very love Please respond as I would like to know.
