Thease are not matters of "beliefs". We have plenty of them.
Show me in a reasonable way that what you are saying is true.

You said:
"Wow, are you decieved or what? You know if we understood absolutly ev
until we died. But a can asure you of this, we din't evolve from anything.
stick!"

If you read the post, you will see that evolution and creationism are wro
cannot explain the 3 aspects of time. What was the past of the creation?
God can create something if a LAW of science tells us that matter cannot
destroyed? If God is a soul, how a soul can deal with matter?

It is important to have faith based on the intellect which a soul has rathe
We are completely deceived if we believe that God acts like a human bei
human like anger, attachment, jealousy etc, which by the way the old tes
portraying. That is ignorance.

You said:
"If we did evolve then God mad a mistake somewhere. God can make or d
makes you think He couln't make you?"

God cannot destroy or create me or you. We are eternal souls. We are no

You said:
"YOur body has been figured out by science, we know how it works. Yet,
still cann't keep it well, or recreate one. Oh, yeah, cloning. Maybe it has
is stillup to God to provide a soul for the cloned ones. "

AGAIN: we are souls. The soul plays a part taking a body according to ou
has nothing to do with "supplying" a soul to a body. Science deals with n
physical laws in matter which need to be obeyed. Even God obeys them.
He is not a "spoiled" child that can do everything he wants whenever he
believe. If we understood the concepts of free-will /predestination, karma
souls, the truth will be evident... until them, we can believe whatever en

you said:
"The chicken or the egg? Well, duh, the chicken. The bible says that God
them to reproduce after their own kind. End of question. "

It is without foundation to believe that. Matter is not created neither des
science. God cannot "pull a rabbit out of a hat", it goes against the law
matter. What race were Adam and Eve? were they white? how the other ra
since every other huaman descended from them? Moreover, the bible stat
"created" 6000 years ago... how the other races appeared? Think about i
In Genesis 1, the bible says that the animals were created before Man. Y
opposite, since Man named animals... can you make sense of that?

Just becasue you say "end of question" doesn't mean that it has been an
that we have reasoning.. this is the way we can recognize God.

You said:
"I pray that God will put Himself and His wonderful creation ever before

Thank you. But no need for that. He has already shown me who He is.

You said:
"And if evolution were true then look at this. God knew that we didn't hav
that our teeth would fall out. So he made wisdom teeth so that we could

Have you ever taken an alligator to a dentist? They don't need dentists a
diets are the major cause of our dental needs.

You said:
"If we used to be monkeys and had tails, then at what point did our DNA
longer important aand how did the parent DNA tell the child-to-be not to
shorter one cause we don't need them so we are gong to start weeding ou
could signal ourDNA like that, then we could all be born in perfect health
these dogs whose tails we cut should be DNA signaling their babies not t
master is gong to cut it anyway!"

Sorry, but I was unable to follow that. DNA don't decide anything. Huamn
animal souls. If someone wants to believe that they were monkeys...let t
