We've known how to cure cancer for years:

In 1952 they learned that apricot kernels contain vitamin B17, which is a
will attack foreign cells to the body.

In 1974 in laboratory experiments they found THC will kill both cancer ar

A vegan diet will alkalise the body, which helps stop cancer forming and

Soursop (1976), even the cancer research site says 'it kills certain canc
bothered to do research into something that can be free.
