Oneness as people can be achieved in many different ways, it only needs to agree on.

In the party scene many people through entheogens have found a unity, and this is felt in any religious congregation, as the ego bubble is dissolved.

Religious dogmatic policy among people leads to divisions; archaic laws mean we argue over them.

Only through the fluidity of consciousness not becoming static, can we achieve this has been achieved by humans in the past who took entheogens i.e. Mesopotamians, Egyptians, Hindu, Greeks, Zoroastrian, Israelites.

Now in modern times people are confused that all religion started through which then allows for direct connection to Oneness (Heaven - Nirvana) has

What we need to take into account, is the brain without additional foods neural pathways starts to die, and loose neural path ways; certain plants are neurochemistry.

Giving a brain alcohol, coffee, meat, and fluoride, makes people become illogically erratic in their thought processes; whereas being vegan, no alcohol increase neuro capacity, so then people are smarter, more empathic, and
