This is stating "where the body is there the 'vultures gather'"; it is a long hover around dead bodies.

Eagles only hunt live kill, thus it is referring to Ravenous Beings listed and removed by the Judgement Day Fire.

Luke 17:20-37 makes a clearer timeline of what is stated:

Luke 17:24 Christ returns on lightning in the sky (Internet); where Christ is (Luke 17:25).

Christ's 2nd coming is revealed on the internet (Luke 17:30, Revelation 3:16, Armageddon (Revelation 16:15-16)).

Judgement Day Fire comes from Betelgeuse on earth, where the Fire cleanses in one Day (Isaiah 13:10, Amos 5:8, Zechariah 14:7, Revelation 20:9-10).

If we look at the timeline, it is stated by all prophets globally, when all Jerusalem in this Final Battle, that is when the Fire comes from the sky; before it.

After there is a New Heaven, as our sun will be 7 times brighter, and our earth (Isaiah 30:26); so no demons can live here any more, and Orion will become the center of the universe.

Take into account the 'House of God' (Betelgeuse) is coming here, and the angels shall reign on earth; in other words Heaven is coming here, and Hell is destroyed (Revelation 20:14).

The earth shall be recharged by proton energy, changing the carbon base of life; it doesn't break down (Isaiah 65:20); where things will change from how our world functions.

Now in the time to come veganism is only accepted, and alcoholism isn't (Matthew 24:38); if this is possible to do through religious dialogue (World War 3 is dependant on people questioning it, if not Fire is soon from Betelgeuse).
