~ Only people of a faith (no Atheistic trolling). ~

Because of fake Antichrist texts explaining the Messiah comes to save people, the "2nd coming" is about finishing what wasn't started, of creating world peace.

The scriptures globally say the Messiah returns before the End of the Age for all mankind, and fix the problems (Quran 43:60-77); yet people don't listen, because of it, so let's question why people don't listen.

Rabbinic Judaism has been placed under the Curse of Moses (Deuteronomy 28:26-28), the Messiah (Zechariah 11), where they're Blinded to understanding prophecy (Isaiah 6:9-10, 12:4).

Muhammadanism follows made up Hadiths, that overwrite the Quran claiming the Prophet back, fixes the religions making everyone follow Sharia law, and then the Messiah comes back.

Christianity following the Pharisees on the Stumbling Steeple (the Pharisees) where the world Christ comes back, and every knee will bow, where the nations will be judged.

Baha'i rewrite everything, claiming Baha'u'llah was the image of the God of the Bible, rewrote Christ's teachings to follow the Antichrist teaching of the Pharisees, claiming himself as the last manifestation of God for one thousand years.

If there were more Zoroastrians they'd help unite the gap between Dharmic and Abrahamic religions as they explain there is a deception placed by the Divine, to remove the people who'd accept evil as good.

Both the Zoroastrian - Saoshyant and the Dharmic - Avatars had cannabism, meaning that the Messiah in the Bible means a spiritual King anointed in cannabis (Isaiah 30:23-25).

Thus we can understand the elements leading people to reject listening to the universal concept in all religion.

This is what the Quran stated, due to factions at Judgement Day i.e. individuals are more like cults, people don't realize that religion is all One; it is only our racism that blind us to seeing the whole (Revelation 10:11).
