To whom it may concern,

I'm writing to ask for your help in trying to create a better world. Since I have known the New Testament was corrupted, and that I was sent from Heaven to inform the world's religions to try to inform people of this, before the Great Tribulation. At 5-6 years old I knew that Yeshua hadn't gone around making "I Am" statements. The world had been convinced of a lie. This can easily be shown that the Gospel of John is not the court of Law, and deliberately contradicts the Synoptic Gospels, as a model of the Source of reality. Both Paul and Simon the stumbling stone (Peter) were men who created Christianity contrary to the Ebionites or Followers of the Way. Before reading the Bible I fulfilled Revelation 5 & 10, where it explains the closure of the Bed of Adultery (Isaiah 28); which means Judgement Day is happening.

Now personally on a global scale, I'd like everyone to at least understand the text. Sentencing everyone for not knowing that J+sēs is a swear word meaning a 'beast that shall tear away' or 'trample down' (Matthew 7:6), is not smart enough to understand a crime, they do not know they're committing. They clearly see the 'beast' (J+sēs) compared to the 'salvation' (Yeshua). The eisegesis on many Abrahamic concepts has led to the divisions, and a lack of understanding of historical contexts. When we understand King David was in Isaiah 89:19-21 to reincarnate as the suffering High Priest Yehoshua/Yeshua in the future, we see that there shouldn't be 3 different versions of Abrahamic ideas; there are different contexts that has led to the confusions - which can be rectified through understanding us.

Zand in Persian, like in the Zoroastrian texts the Zand Avesta means an answer. There are a lot of details to be understood about Isaiah 53, and it should be understood half its contexts, as the method is off; we need to use Bible study to correlate the vast amount of details exegetically.

When it is better understood how Yehoshua/Yeshua (King David) taught through the meaning of his name we can gain atonement, and that the sacrifice is required. We can understand better why the Christians are the exact opposite of Christ's teachings.

Yehoshua means the Lord Saves or Lord Delivers, Yeshua is the Salvation. We need to understand that El is not like the Elohim (Isaiah 46:9), where it is understood that there is a Divine Council of 24 Archangels (Elohim) around Elyon - Deuteronomy 32:7-9).

When the spirit of salvation is placed into the flesh of David in Isaiah 52, everything... David is not becoming the Source of reality made manifest, but an ambassador for the Source of reality.

In Isaiah 52:7 King Zion Elohim is the returning King David to unite his people. Thus when in Revelation 3:12 it tells us Christ has a new name, that name is...

texts to be clear:

Revelation 3:12 He who overcomes, I will make him a pillar (Sandalphon) and he will go out from there no more. I will write on him the name of my city of my God (Zion), the new Jerusalem, which comes down out of heaven with its own new name (Sananda).

Sandalphon is an Archangel in Judaism, who acts as a Pillar between Heaven and Earth. Revelation 10:1 & 3:12 it shows that Christ is both an Archangel, and the Son of Man. Three years before reading the Bible, at a sacred mountain which is claimed to be the entrance to Heaven in ancient culture.

Sananda according to theosophy is the New name of Christ; it comes from the Sanskrit word Sanandana. Brahma means creator or manifestor, as does the word Havah. Yahavah is Lord of Creation.

We can show in the Nicene Church Fathers, and many of the world's religions that the word Eloi was a name for Zeus & Jupiter; where it is the name of the Creator Archangel in many cultures.

The New Jerusalem is Zion, where we can show it referenced where the Lord of Creation sent the people from Zion. These verses (Psalms 146:10, Psalms 147:12, Isaiah 54:25) show 'Zion' as 'Your Divine Being Zion'. When we can understand that globally many people knew 'Zion' as the Lord of Creation. Therefore having the Children of Israel called the Flock, which is the Lord's flock means when we read this verse by Moses, knowing that Yahavah means Lord of Creation, the verse ' (Deuteronomy 16:2) states, it is a 'place holder for the name of the Lord' to be read 'Your Divine Being Zan'.

Zion is David's flock, and Zan is the flock of Israel ('Zion' & 'Zan' are interchangeable by the prophets as 'Zion' or 'Children of Israel').

In Revelation when it says the Lamb's, this is a plural diminutive, which is the Lord's Zan's book of Life.

What we all have to understand theologically is the Source of reality, Elohim, the Highest Source. Yahavah Elohim means the Lord of Creation, and is the Lord of Creation. Elohim are Archangels or the 24 Elders who surround the Source or Throne of God. At 21 years old I fulfilled Revelation 10, and later had a NDE that year, which I've studied from many other accounts to quantify the experience of Heaven and Hell; which I've studied from many other accounts to quantify the experience of explaining what Heaven is, I've literally been there, and come from there, and I've been globally.

So I ask can you help in taking prophecy seriously, to help prevent the end of the world? Many religious texts explain people will just ignore all of this, and then the Source of reality bless you from the bottom of my heart, especially if it is a precept instead of precept upon precept.
