Many of you shock me: as you're so fundamental about your religious beliefs that you'll fight so hard to make your claims, you'll rewrite the dictionary to fit with your belief system.

Atheists are like some weird cult arguing there is no Sky Daddy, and deny physics, and logic to prove their religion.

The periodic table shows our reality is constructed out of mathematical elements. The Golden Spiral (Fibonacci maths) found in a finger print, snail shell, ocean wave, etc. there is a central Source to the mathematics of reality.
