The only problem we have with this, is.....

Being brought up in a christian family, I believed at first much of what I heard. Yet knowing I was sent from heaven since about 5 years old, I couldn't understand the heart, Yeshua(jesus) was true and one of us.

Yet then on the other hand much of what I heard didn't make sense, As Paul said he said to do this.

????

Now I have traveled a bit and couldn't understand why, if the church was true, I saw more peoples spirits I reconized in tribal parties, then in the church.

Then after years trying to work out why this had happened, I finally read the book. After reading it I began to realise(with the help of Yeshua) that Paul was wrong. In fact as I have stuck on this site, Paul contridicts Yeshua on over 36 pages.

This has caused a great division world wide, between the beliefs as most of the world see Christianity.

The biggest reason is what Paul said, as he makes Yeshua into God, for many people they will not accept this.

The reason is its not true and causes people to goto the opposite of heaven.

Now after going around a few sites with this news, I was abused in words like devil, ect.

So I went over all the gospels again, as people kept quoting John and saying that as John says.

Yet after re-reading I realised that John was in fact also one of the pharisee disciples as we are taught to believe.

So this made it a bit clearer the pharisees changed what Yeshua had said.

If not for them two, the americans indians wouldn't have been forced to believe what was true in the first place, ie Oneness.

Now to bring the people together, 1st we need all people to know this.

As with out, many would try for oneness ,yet there is many christians, who

Thinking what they follow is right, when in fact they follow the beast(as
So to fix the puzzle worldwide, all people need to know this and we can
nature as was intended!!
