so, are you trying to tell me that i am a pharisee?

I read my bible and have never come to such a conclusion. If you believe then I am sorry but I disagree. We may have to discuss with everyone so we have until we each come to our own conclusions.

Maybe we have gotten away from the subject

What is your biblical response to the parable I wrote about. If it is your Yeshua told you these things and you're an angel ect... then I require them up. If not, I can't believe. As you don't trust anything Paul said ect... then I thought listen to any other books that I do not believe are from God. The bible as the infallible word of God. So, as one who loves you, please enlighten me with proofs of what Yeshua.

I have an open mind but I am not easily persuaded.

Ok, hit me with it my friend!
