Elohim is a name for God but ben elohim means sons of god and is in ref fallen angels who had relations with the daughters of men.

YHWH is the major name of God that was considered sacred. To holy to sp put a J in place of a Y and changed His name to Jehovah. the translators time so that is why we call Him Jehovah. It is a parently ok to do this sin

Yeshua is the true name of christ. we call Him Jesus because of how the SH is similar to the SU sound and was interpreted and translated as such

The Lord seems to respond to it as there are many deliverances in His na that a house divided against itself cannot stand and satan cannot cast ou cultures that know who He is and yet have different names for Him. He k them in love and understanding. It is hard to change the whole world wh different name. I say Jesus alot. But for the record, His name is Yeshua.

God has many names...Adoni, elohim, Yaweh, Jehovah ect... He is also a what His personality stands for. the God who heals, God,my salvation, re Because God is not any one thing, He is diverse and He is the greatest o

Just some quick thoughts!
