The 7th Beggar was appointed as the ambassador to the Jewish people 17+ yea
has now declared that he is 100% certain that he will never accept my in
texts globally; as he has decided without study of a majority of them, tha

Where when we study the world's religious texts we can show I've fulfille
before Judgement Day, and therefore according to prophecy the Rabbinic
death in the Judgement Day Fire - Which will happen without warning, un
prophecy seriously.

him rejecting the fulfilment of the religious prophecies globally for every
him consistently everyday to change his mind; yet he is determined he is
to die, instead of him question religious texts properly.

I really can't believe I'm saying this, as I always thought since 5-6 years
to have a chance to survive.

Updated Disclaimer: The 7th pleads he does care about the Jewish people, and doe
them dead. He thinks me claiming to have fulfilled parts of the Bible bef
imagination, and it is my own made up religion.
