The Shewbread was made the same as the Essene Bread; which means it to the Greek Kykeon drink, made from barley.

They'd leave the grains to sprout, so it acted as a leaven (wheat, barley Ezekiel 4:9) - which then produced ergot; this is why it had to be first bo neutralize the ergot poisoning.

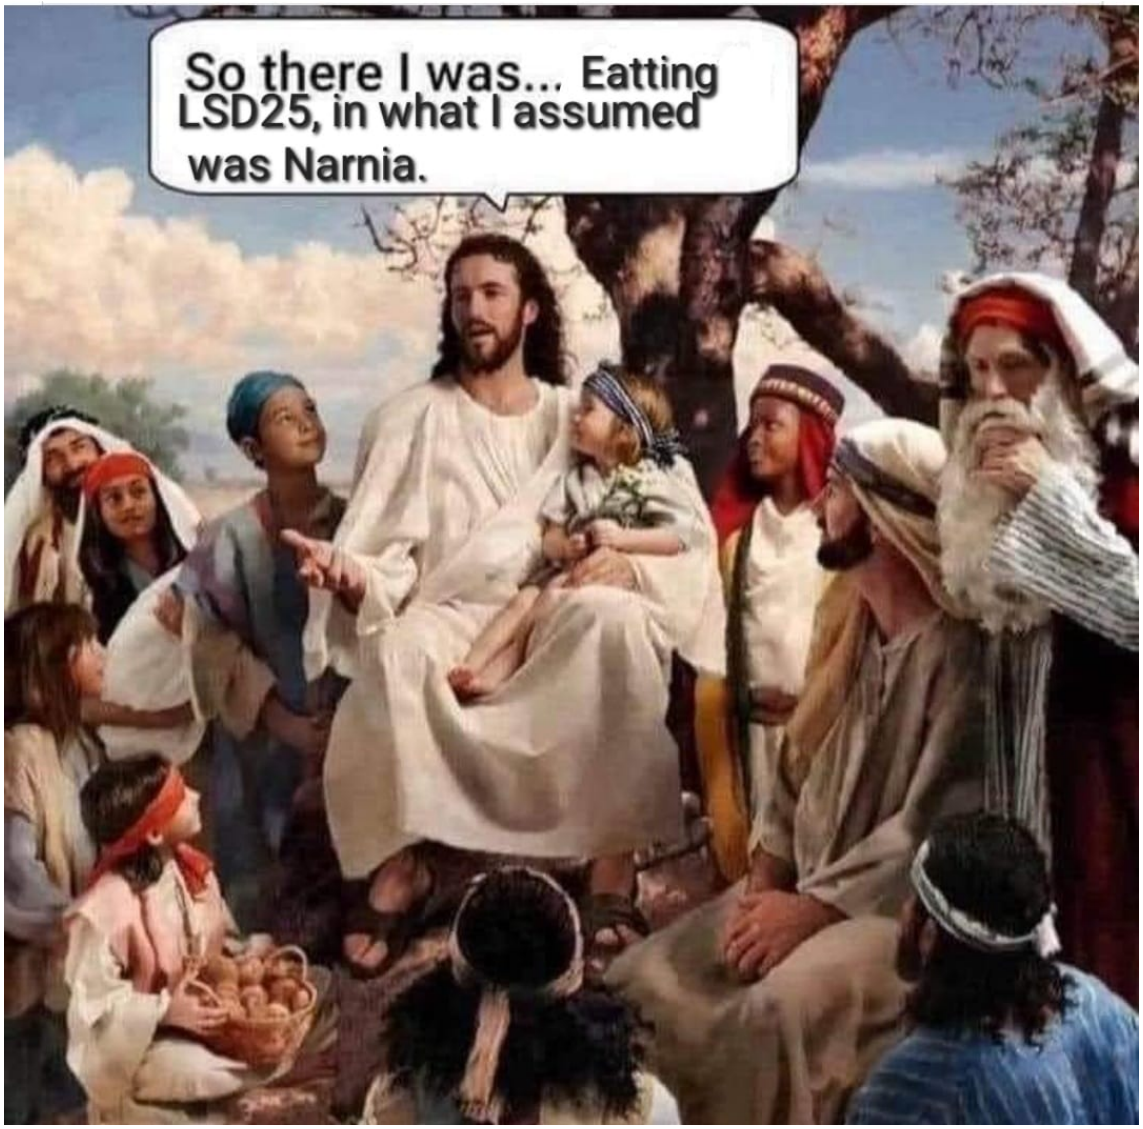

The Last Supper was about remembering to share psychedelic Shewbread as it detriments spiritual growth instead.

Many of these ancient religions used psychedelics to increase human int the elites had the knowledge of how to make these entheogens, everyone

Thus the reality is we're living in Narnia/Neverland, and they've turned i torturing the children instead.
