Questioning our Legal Rights to Protect Humanity

Shalom Aleichem,

I'm writing to you to see if I've got any legal rights to defend the Jewish

I've known since 4-5 years old that I'm sent as an Avatar, where my nam
and since 5-6 years old have known advanced details from two thousand
years online of studying different religions, and debating what God gave
considerable list of references to variations of [my name within the world's religious texts](), where
many are recorded prior to Judgement coming on mankind.

I'm not exactly a scholar, and so don't really know how to put forward a
case for experts to address all these details. I'm also not exactly what is
religious believers, and therefore can understand from a Rabbinic perspe
sound anything like what your rabbis thought will happen.

18 years ago I met a professor of Kabbalah from New Jersey, on a chat s
his username is The Seventh Beggar, based on the tale by Rabbi Nachma
him everyday for 18 years whilst debating on the chat system, to pass on

This was prophesied in Luke 18:2-8 - of an 'Unjust Judge', who'd leave t

The problem with both of their appraisals of what is going on, is that the
data in the case, as they've stated from their vantage point, that they on

Since 7th & Olam declared that Ephraim Mirvis wasn't a high enough leve

knowledge God gave me is examined at the highest authority for Rabbinic

Based on lots of study of the religious texts, I believe I'm now able to pr

There is a massive amount of information to the case I'm presenting, and
[I summarised some of it in my letter to Ephraim Mirvis], multiple prophecies I fulfilled before rea
and other religious texts globally.

At 15 years old God spoke to me in a vision whilst walking down the trai
eschatology explained, and was asked to read the world's religions - the
before we come to the Great Tribulation. Since that time I've read many
that multiple prophecies globally have a variation of my name as the fina
come to Judgement Day, and then the Resurrection of the Dead.

I'm curious do I have any legal rights when this is a part of Hebraic prop
Divine Right, and to have the case God gave me examined properly, so th

My wish since 5-6 years old has always been to educate the people abou

I've been asking 7th & Olam to help share this information as an educati
