After just phoning your office, I've been asked by Suzanne to resend this
if it can be passed on to someone who can look into it.

If you could reply to let me know if you've actually received this email, t
you think all the ideas I'm presenting are bizarre, at least that way we k
you with the case that God gave us, to share with you before Judgement

This is only a start of religious prophecy globally that is being fulfilled,
not have the authority or knowledge to look into it, that at least someone
you.

Quote:
Thank you, Zanda for your email, which has been read
