The problem with many of these supposed scientists, is they've never seen it and they have no clue that the asteroid belt that surrounds a massive red dwarf star is space...

Which means we should expect major meteorites storms as prophesied (Psalms 104:4 warning - Matthew 24:29-35, Mark 13:24-31, Luke 21:25-33, Revelation 6:12-17)

This is prophesied to happen as all nations come against Israel in Zechariah 14:1-4, Ezekiel 38:1-17, Amos 5:1-9.
