@AaronAbke - When I first started understanding Paul contradicted Christ from friends, family, and Christians I spoke to, they went mad, and became accusative/slanderous - the word 'satan' means an 'accuser' from Hebrew and means a 'slanderer' from Greek.

Now after years of study, whilst debating the world's religion online, I've like 'a conspiracy' to begin with, is all ordained, and is much bigger than

Immanuel came to lay a Snare by his Testimony & the Law in Isaiah 8:11-12. The Scroll (Bible) prophesied to go out among the Nations (Isaiah 8, Zechariah 10, etc), to see who'd swear falsely, and who'd steal what isn't theirs.

The concept of Maher-shalal-hash-baz, is 'those who are quick to the spoil & prize'; who within their greed for eternal life, they didn't read the prophecy (Isaiah 30:8-11).

Yeshua came to fulfil the Divorce Decree in Zechariah 11, which is a confirmation of Daniel 9, where the religious leaders refused to listen to those sent by God. He came to test them, and by their rejection of him, they broke the Abraham Covenant in 11:10, and the Sinai Covenant in Zechariah 11:12-14 - when they paid 30 pieces of silver in the Potter's Field in the House of Israel (Price of a slave).

'The Poor of the Flock (Ebionites) knew it was the word of the Lord' in Zechariah 11:17. The early Church were named after this prophecy.

The terminology Christian didn't come along until after in Antioch (Acts 13:41) - specifically a follower of Simon the 'stumbling stone' (petros) & Pauline Ebionites rejected Christianity, so conflating the two words isn't historically accurate.

There is a later Midrash stating that Saul & Simon petros created Christianity through the Sanhedrin to achieve it.

Yeshua said to Simon that satan had a use for him (Luke 22:31), and he fulfilled the prophecy in Isaiah 8:14, and Zechariah 3:9, that he would be a stumbling stone for the whole world.

It wasn't until recently, when another independent student of the Bible pointed out that the words are spelled the same in Hebrew (שָׂטָן), that I then realized how Isaiah

that 'Saul created a Covenant of Death' about the 'Chief Corner Stone' (I the 'Bed' of 'Adultery' (Isaiah 28:20-21).

When it is understood that Saul was prophesied as the devil to twist the its Biblical connotations, we can understand that in Zechariah 3:1-2, we as we find in the Synoptic Gospels, and on the right we have the Pharisee (John, Paul, Simon).

When Yehoshua showed the Disciples how prophecy was being fulfilled, w Jerusalem', Simon 'rebuked him' (Zechariah 3:1-2), and Yeshua called hi the ways of man, more than God' (Matthew 16:13-23) - as Yeshua could s which is why he left the original Ebionites, and joined Saul to create Chr

When we take into account in the Greek religion Hades is named after th the Norse religion Hel is named after Hell: Saul is named after the under fulfilling the role of the Devil, against the Angel of the Lord being Yehos

When Saul went to the Church of Asia Minor he was rejected (2 Timothy 'false apostle' as stated in Revelation 2:2.

The Sheep & Goats/Wheat & Tares is already there in the Biblical structu enough to see the Synoptic Gospels Vs the defamatory Gospel of John, is Levitical Exam.

Saul is named purposefully after the devil, to see who'd choose good ove light (Isaiah 5:20).

This realm we're within according to theology globally is between Heaven world of desires (Maya), to see if we choose the Oneness of God or our s many choose Saul (devil) over Yeshua (Salvation), it is all a test to see

Simon was purposely named a small stone (petros) before Yehoshua, like up or cause a harvest not to reach full potential (petrodes - Mark 4:5+16 roots by putting faith into another, rather than learning to dig down, and God.

Aaron when you say you'd like to "Thrash out the Scriptures", I'm willing and so far you've ignored all my comments posted; I guess if you'd rathe haircut, then me just dissecting the details of scripture, it isn't slandero
