Also within the way people time certain things, is another useful aspects some are:

Ahead of the ball (doing things before they happen) things as they happen the ball rolling (keeping momentum, so as to not lose speed) the ball (keep a track of the balls position, yet not always interacting with it) ways have catch up, as not preparing in the lead rolling (start the movement, else they won't be finished). a ball (some aren't even playing the same game, they're around).
