@Aaron Abke - You might have not noticed you're doing it, yet where as questioning everything as the church didn't add up... you're now starting ideas as solid fact, when that is what led to much of the church's errors going opposite to the next.

Hardly anyone goes the extra mile in the same direction in this world, th opposite.

Let's please dissect some of the case more carefully; as it's easy to mak requires more internal study of the Biblical texts, and questioning what c naively overlooked.

Hosea 6:6 is multi-layered, and when you insisted it is only about 'anima huge part of what is stated in Hosea 6:9 - which we can see was Yeshua' Sanhedrin.

Yeshua challenged the Pharisees, Sadducees, and Levites for saying tha prophets counted as atoning sacrifices in Matthew 23:27-38, Mark 7:1-13 Parable of the Wicked Husbandman (Matthew 21:33-46, Mark 12:1-12, Luk

Hosea 6:9 is saying the Priests are 'murdering lewdnessly' - which could about animals, yet that the priests refused to listen to those sent by God prophets.

Yeshua summarized that in the Parable of the Wicked Husbandmen, how t Servants of God, and would teach people that they'd get an inheritance f

It's great noticing Saul is contradictory to Yeshua, as that was all proph Bible would not be accurate if the deception hadn't happened; yet you're ordained, and is much more complex than you're currently arguing agains

The fraudulent Gospel of John is purposefully laid out like a Morality IQ Synoptic Gospels; where we have a series of patterns, with a random pat sequence - Yeshua spoke in Parables, and didn't go around making audac about himself (Matthew 24:4-5, Mark 13:5-6, Luke 21:8).

Simon was purposefully called 'petros' to fulfil prophecy in Zechariah 3:9 Pharisaic, and Yeshua knew this, where Simon then joined Saul to create

Until we recognize the false Pharisaic ideas on the right (Paul, Simon Peter) and the Disciples on the left (Matthew, Mark, Luke), we will have a muddled vers the original meaning of Yeshua's Gospel.

James, Jude, Revelation, and even the Quran are a continuation from the Pauline/Pharisaic Christianity.

Yeshua came to fulfil Zechariah 11, where by the leaders rejection of the proved they don't respect what is written - thus divorcing themselves, to two thousand years ago.

Immanuel is prophesied to 'lay down a testimony among his disciples', as 8:11-22) - as to see who'd speak to the Dead, instead of the Living.

Saul is fulfilling the role of the devil, where Sheol (Hell) and Saul are sp when Saul is creating a Covenant of Death (Isaiah 28:15+18) about the C 28:16) - the Bible would not be complete, if the devil hadn't created the 28:20-21).

We should be very careful not to troll the devil, like trying to accuse Sau and eschatology accurately; Saul clearly makes a concise case of what w is working for God setting up the Foolish 'Gentiles' - 'Uneducated' (Deut Saul was evil, and David cared about the Flock, or like how YHVH & Sata

When you're mocking Saul's reiteration of the 'Lord will come with the sh final trumpet', he is citing it from these locations (Zechariah 9:14 (Isaia Zephaniah 1:16-18, Joel 2:1, Isaiah 18:3, Jeremiah 4:21, Hosea 8:1, Jere

When Saul was threatening the 'time draws near' (Eggizo), Yeshua warne deceive who would use "I Am" statements, claiming he spoke that way (Lu

I like how you're teaching against the Ravenous (Prytsim) before the Gre you've said within this video, your names could be seen as almost prophe me, where I'm prophetically named to fulfil prophecy globally.

It was this Oral Tradition, "that the death of the righteous, can atone for that Yeshua was challenging the Sanhedrin for in Matthew 15:1-9, Mark 7

The issue within the muddled Pharisaic view of murdering messengers as is it defiles God's Law in lots of places, and doesn't acknowledge that G 'Rumour', to Isaiah 28:9-19 'Rumour to Rumour' (Ezekiel 7:26); this is wh Covenant of Death between them about the Messiah, like a Snare to the C
