Missed a few important dates that helped shape our understanding of being

At 24 years old prior to reading the Bible, a red robin ('swooping bird') came to my garden while I was gardening in my auntie's Christian bookshop, and called me "Adonai Melchizedek". I didn't know how to spell or what it meant until asking this prophet of Kabbalah, [The Seven of Kabbalah](#), [Beggar](#).

This fulfils Isaiah 46:11-13, where I've given 7th the prophesied warning to the Rabbis and Rabbinic Rebels/Zionist Israel at Armageddon.

When I was around 25 on attending Faith Camp at Peterborough Showground, I kept only talking about Christ, and not the father, so I went off to pray in the garden back as confirmation - that night one of the preachers explains how they got that, "they should be talking about the father".

At 29 years old on having understood some of [John the Baptist's](#) predictions of the New Messiah before sharing this with the world, searching Google for the New Name of the Messiah, many believe from Theosophy, it is Sananda - where my name is Zanda, pronounced [Zanada](#). I've got sacred naming globally.

Since around 40 years old after understanding some of [Zion's](#) Hebrew prophecies, [Zion's](#) prophecies in the Bible, returning name of the Messiah.
