To me it's fascinating how it has all become divided into 'factions', and
anyone listening, I will explain the reasoning.

Our name in Hebrew (Azan) means 'to listen', 'to give an ear', so it is lik

Let's detail the workings of each religious faction, and show why this wh

Some believe that they can be 'Christ Consciousness', due to Paul made up Cl

The Messiah is specifically according to the religious texts God's highes

Yeshua tells us in Matthew 23:39, that 'we will not see the Messiah, unti

Due to the churches tampering with the Biblical prophecy, many believe t

The Quran warns in chapter 43:60-77 that Christ will return with clear si

When we study the languages, and all the prophecy globally, Muhammad

Rabbinic Judaism is the funniest, as because they've only wanted to hea

Christianity is a deception made up by the Pauline epistles (

There are ways to fix so many things: global warming could be fixed by a

We also need to re-establish what was practised in many ancient cultures

Religion is the driving force of people's moral ethics on eating animals, is killing our health & planet, then we could revolutionize the whole syst
