The Gospel of John was purposely made up to corrupt the teachings of Yeshua. The Synoptic Gospels Yeshua warns that those that come after claiming to be his disciples are making statements to deceive many (Mark 13:5-6, Matthew 24:4-5, Luke 21:8).

We can show if we examine the Bible with software like Esword, where we can find a reference number, that Yeshua didn't go around making "I Am" statements (G1473 + I Am) about himself in the Synoptic Gospels, and appointed it to God. In the Gospel of John, the parables, when Yeshua spoke mainly in parables, with a totally different style, he rephrased himself. There are well over 30 points where the Gospel of John contradicts the Synoptic Gospels.

Much of Christianity is built on Paul's ideas, where Paul contradicts most of the teachings of Yeshua forward. Many award winning theologians have noticed that Paul contradicted Christianity being established by Yeshua, this hasn't been commonly taught.

Yet if we examine the Church history, we can show that the original followers were the Ebionites; where James the Just head of the Church of Jerusalem, led the church against Pauline Christianity. Because the Ebionites all gave up wealth, as Yeshua taught, which we find at the start of Acts, this became a problem to the Roman temple. The Pharisees made up Christianity to make them go back to work.

Simon who Yeshua called Petros, which means a Pebble that can trip us up, was used to deceive people, and there is Midrash showing that Simon left the followers to let Paul to create Christianity in Antioch. In the Parable of the Seed Sower, the Good Ground is plural of Petros, Petrodes. It is in prophecy in Zechariah 3:9 that the stone will be a stone, that shall spread iniquity throughout the land, which shall be a stumbling block.

The Quran tried to rectify this situation, teaching that the Jews had edited the Messiah's message. We need to rectify that the texts were edited by the Pharisees. Rabbinic Judaism no longer recognizes this was done on purpose in the past, which has always been contrary (anti-) to Christ's teachings.

One of the most fundamental points is that Yeshua challenged the Sanhedrin for murdering of the prophets counted as atoning sacrifices in Matthew 23:27-33, 15:1-9, and the Parable of the Wicked Husbandman (Matthew 21:33-46, Mark 12:1-11, Luke 20:9-19). Where within the Parable of the Wicked Husbandman it teaches that people you get an inheritance from the Messiah's death, when they don't accept it, accepting a murder as a way to pay God.

When these false texts are recognized, it is possible for Judaism to accept Yeshua as the Messiah.

fulfilled by Yeshua; where the Curse of Moses (Deuteronomy 28) was placed for the Messiah's rejection (Zechariah 11).

The next part in prophecy is complex, because if we could educate humanity to enlighten everyone; if we can't, then God will cleanse reality through these tests.

It has taken us years of explaining this, to then recognize that on the left we have the Sheep (Matthew, Mark, Luke), and on the right we have the Goats, with the fairy-tale version of early Pauline church history, Saul/Paul who's name is the same as Sheol (Hell - Devil), and Simon who Yeshua called petros (Stumbling Stone) and Revelation are challenging Hellenized Christianity from the original.

God has laid out the Synoptic Gospels Vs the Gospel of John as a Moralism, a series of 3 almost matching patterns, and a random none sequential pattern.

Saul was prophesied in Isaiah 28:15+18 to create a Covenant of Death at the center in the middle (Isaiah 28:16) of the Bed of Adultery (Isaiah 28:9-19+20-21).

Simon was called the Stumbling Stone (petros/eben) as he was Pharisaic. Matthew 16:18, where Yeshua is the Rock of Salvation (petras/tzur) - Isaiah 28:16.

Straight after calling Simon petros, he called him Satan, and so the Church's foundations of the Messiah's teachings, it was built upon Pharisaic Peter. [John Paul Saul](#)
