There are a lot of faulty Biblical concepts you're not understanding, and years if you don't pay any attention.

When Christians believe 'without blood there is no forgiveness of sin' - t which is then repeated in Hebrews (which isn't by Paul).

Leviticus was correlated in Babylon by the Levitical priesthood, yet it do taught - which was they could bless the animals to eat them, not to gain sacrifice.

When you have the audacity to call Saul "a Moron" - Saul & Sheol (Hell) Hebrew (éÁÐÕÜ), where he is fulfilling the role of the Devil against the A prophesied to be creating a Covenant of Death (Isaiah 28:15+18) in the E 28:9-19+20-21), about the Chief Corner Stone (Isaiah 28:16).

God ordained Saul to teach opposite to Christ (like Satan against Job); t Simon to be a Pharisaic Stumbling Stone (petros) before Yehoshua (Zech Where Yeshua is the Rock (petras) of Salvation (H3444).

The Sheep & Goats was prophesied in Zechariah 3:1-2, where Yehoshua o the right, was already there in front of everyone:

On the left we have the Ebionite Synoptic Gospels (Matthew, Mark, Luke) the Pharisaic co-Joh, Acts, [Job, Peter, Saul](#), [Simon petros](#), James Jude, Revelation are from the Ebionites against Pauline Christianity.

I'd love for you all to come talk to us about it on 'The Way' - Skool site ('Christspiracy creator') has set up; that way we can detail the Biblical v between us - where some of you are already admin.
