@James & Paul - I understand coming out of the religious indoctrination rather than a true understanding of Oneness; yet what we need to recognize is older, and what we have in the West is a twisted version of these ancient

We are in the Maya - which is a realm created to fulfil our desires, yet it is a delusional down here on the top floor of Hell (Gehenna - Matthew 23:15).

The Bhagavad Gita chapter 16 is quite clear, that if we're Self serving in this realm (Asura) down near Hell, and if we give up everything to serve the Divine (Yoga), we can then escape this plain of existence to higher realms (Moksha). If we do evil in this realm, we get kicked out into the material darkness below us.

If we then look at what Yeshua was teaching, without the Babylonian Jewish Hellenization), he was teaching closer to the Dharma, not some Jewish tradition.

Christianity is made up by the Pharisees, where we see Paul & Simon Peter's ministry that existed since Antioch (Acts 11:25-26) - we even have the Pharisees helped make up Christianity.

The Gospel of John is also made up by the Sanhedrin, where it sounds nothing like the Synoptic Gospels - repeatedly using "I Am" (G1473 G1510) statements, which would be deceived by it (Matthew 24:4-5, Mark 13:5-6, Luke 21:8).

When the Bible is using words like Satan it means an 'Accuser', and Devil's accusative nature in this realm, caused the Babylonian religious to count on being presented by the Avatars (Ezekiel 20:25).

It isn't as clear cut as the Demons Vs Angels, that is Western thinking, and was originally taught; we're all Elohim (Avatars), and Children of the God Most High.

Dharmic ideas about Mara, and Rabbinic ideas about Satan being an accuser in this realm, that will tempt us away from our Divine Duty (Dharma/Halakha) and the fearmongering of some monster with horns against God.

It's easier to explain in a computer analogy, that we're all like computer chips, and the CPU (Universal Central Processor) manifesting reality.

Because we're in a realm of desires, many of us down here are obsessed

we're down in this realm in the first place, to see if we will learn Oneness

When you're saying about some who have used every mechanism to make money because that creates even more wealth for themselves.

Yeshua, Buddha, etc, were all teaching that God doesn't have a Self, and (Psyche - Luke 14:26), we come closer to God Selflessness (Anatta); yet the Pharisaic Christian Church, much of this is misunderstood.

Revelation is not from the Cabal trying to have it fulfilled, it is more a collective prophecy globally - where it is being fulfilled by human negligence destroying

In Revelation 11:18 it says God will remove those who are destroying the earth, bringing the destruction - we can show much of the prophesied events in the Tribulation, have been caused by humans.

When we study globally about the reptilians, there are records in the world between humans, and the Naga/Rephaim.

When Yeshua tells the Parable of the Wheat & Tares, the Wheat are the Children of the Kingdom, the Tares are the Children of the Wicked One - where I used to think "the Children", until I learned about Djann being the father of the Djinn (Islamic), the Rephaim Biblically, where it is prophesied in the Harvest fire to remove

Job 26:5-9 - The Rephaim have come from lower dimensions (Hell).

Isaiah 14:9 - Rephaim have become the Rulers of this world.

Isaiah 17:4-6 - Harvest Fire removes the Rephaim.

Isaiah 26:14+19 - Resurrection of only the Creator's Children.

It is also possible to question that we all have a reptilian/mammalian part of the brain where depending what we consume, depends on what parts of the brain we are using.

Drinking stimulants with caffeine overloads our cortisol, and thus we think more emotionally, rather than thinking more logically in a evenly paced thinking.

In many ancient religions they used entheogens ceremonially with a vegetarian diet, as then we think from the hypothalamus; where at the highest level we can connect to the Source of reality (Jnana Yoga), and be guided like the prophets.

There is a tendency in the Western religious thinking to blame externally, rather than question spiritually within, that we are helping manifesting the collective consciousnesses all being interlinked.

I ponder if we could restore the Dharma through education, and 'fix the brain' of everyone' because of the lack of wisdom; it is like being in the film Idiocracy where everyone have been dumbed down by what they consume, and this could easily be reversed over generations.

The Essenes had psychedelic showbread (similar to Soma), and holy cannibals.

to Bhang), with a vegan non alcohol consuming society; contrary to the B Sadducees, and Levites, where the Essenes questioned it would only take enlightened children to turn the world around.

We've been taught to fear a one world religion by the bigoted ancient th Biblically we need to create one world religion (Micah 4:5), where we all understanding of reality globally, as it is what separates us.

I'd love to detail far more of what is prophesied with you all, where we c Way' Skool group.
