The Holy Anointing Oil when made properly with Kaneh-Bosem (etymology ailments, where Yeshua's laying on of hands, the early Ebionite Church (Disciples healed with it (Mark 6:13).

We know now from science that cannabis can help heal cancer, leprosy, stresses, etc, and many other things that were seen as demons back then

The reference to placing Demons in the Swine is meant as a Parable, as Nations) were seen as Swine, and the Demons are removed at Judgement the Lake of Fire.

Having had a NDE at 21, that quantified for me that down in Hell there are lost souls in the lower dimensions, who have lost track of the Oneness of negative emotions (resentment, hatefulness, bitterness, anguish, slyness etc).

Heaven has the uplifting emotions of unconditional love, wisdom, truthfulness, harmony, etc.

Yeshua was sharing entheogens (Psychedelic Essene's Showbread & Holy make us use our Hypothalamus (higher consciousness), and can help us more than our animalistic Amygdala (mammalian consciousness).

Because the Babylonian Pharisees (John, Saul, Simon petros) rewrote the built upon Babylonian Debauchery instead of Enlightened Entheogens.

Though Edgar Cayce remembered being an Essene, not sure if he remembered concepts of using entheogens to increase human intelligence & life span, rediscovering.

P.S James you could do with adding the links to the website & name reference

I had to rewind a few times to realize the website is wisdm . io & to search spelling for Shad Groverland.
