Hi Branches, also dont make flesh your arm, some have already implied everyday people and lives. The bible warns us about making flesh our arms sheeps clothing have crept in unawares. They teach some truth, to piggy back a point of doctrine, like immortality of the soul. Jesus and God both say, get immortality. the wicked do not get it. Now many snakes hve shining crowns and silver, within the churches, If we make flesh are arm, then eventually lie, then are turned over to that lie.. So by always keeping The spirit of our arm, as we journy thru churches;we are safer there.

Now as to wat type of church? Wat do you need? do you need historical truth, the beast, its image, and the false prophet; then go to the seventh day and that right. If you alraedy know about the anti-christ system and laodicea church, charismatic or assembly of God, worship service, and sing songs and praise others as loud as ya can, on your tip toes, with hands reaching for Gods wave from their spirit hits ya, and you revell in glory. What are ya looking for moderation in all things, no matter what! Sometimes I need that glory fill my heart, have to go to war spiritually and I attack a part of the antichrist with corruption in other churches. Sometimes I just shut my mouth and watch for a sign, exploring the spirit of the church. Getting a pulse, so to speak. We are vipers, creations, being made in Gods image and all. What do you need? There is a place that need someplace. Ya have to bounce around some untill ya find it, you will bear witness inside you, eventaully. In my case I keep moving cause of antichrist. soz anywho, it depends on the need of the moment. I hope that brings peace..
