Hi Wizanda, ya got me with the Atlantis/Mu thingy.. I think Atlantis/Mu w  
sunk during the flood. We have all heard of Dr Mornos island where he m  
animal entities. One of the reasons for the flood was the almalgamation o  
didnt like that. His creation is perfect, well before sin anyways.

As fas as the oldest languages go, I have something to share. While stud  
religions and esoteric stuff, I ran across an interesting piece. Seems the  
had two languages. Ther was one for the common folk, then another for t  
and kings palace. Most writings from babylon they find are from the cour  
call this language Vril.. Hilter sent some high level Ss oficers to tibet se  
there with a secret order who were in contack with Lucifer. They told the  
archives also, that when the flood came and started covering Atlantis/Mu  
Atlantis took of in their UFOs, or anti-gravity flying ships and waited the  
Tibet, about the same time Noah landed on MT Ararat. The high preisthood  
descendents ended up in babylon. Noahs ended up in southern Saudi Ara  
the same language or "Vril"...

Remember the bible says that everybody spoke the same language wh  
of Babel. And God saw they were being taught technology to ascend to he  
the fallen angels and satan pretending to be Gods. So our Father, steppe  
of people into 8 basic groups with 8 different languages. This is when th  
also. Thats what sister White, a prophet of the 7th day adventists church  
told her.

Anyways, this stopped the whole shebang. So it would seem you are  
language.. And it must be what Adam and Eve spoke in the garden of Ede  
babylonian archives, and according to the DalaLama it comes from Atlant  
took off in their ufos to escape the flood, then later landed in tibet. Its o  
true.

It seems a lot of alantis technolgy and mysticism has been restored via  
Jesus said, as it was in Noahs day, just before the flood, so shall it be v  
moutian in Sedona, Ariz, and in Dulce, N.M. and under the Denver intern  
reported they have half human and half animal entities our government ha  
allready doing clonig and almalgamation of man and beast, for at least 4  
every once in a while, people rebel and try to stop it. Never works, but t  
out, plus some who have worked there have wrote books about it. I have  
holding prayer vigils over them, just me and Jesus. Man did I cry, for da  
these underground places that are horrible. Everything they had in Atlan  
today. Its all here from what I know of things. Jesus hould be coming pre
