Of coarse there are millions of people who say they saw this or they saw
these things, like aliens, no. But I have seen how people can become so
religion that they not only start lieing to others but they also start lieing
These people are the fanatics, these are the kinds of people that are blo
These are the kinds of people that cause seperation and anger, because
mind is making this stuff up to make them feel better about themselves,
to live. By the way, I used to be a really hard core christian untill not lo
