Dude here - I am not sure I agree with this. Muslims are not very mor tend to treat them like slaves or second class citizens. Also the Ottomen out to destroy christianity. They are not tolerant of other religions eithe jews. They dont like people who belive Jesus was the son of God, who ca could get the keys to death and the grave. Muslims feel that belief, is bl wiped of the face of the earth. True muslims are not tolerant at all. I am joe who goes to a temple as part of a routine. I am talking about those m religion seriously, they are dangerous to any other belief system.

T he religions will be destroyed by the coming Kingdom of God as spok New Jerusalem will come back with it. It will land on Mt Olives and split miles across. This earthqauke will be worldwide, and it will destroy most bible tells us that Gods people will be given a new name when this happe name will be called, The Lord our Rightuosness. But I am not sure, the b and it has not yet been applied to any group, so its probably the kingdom

As far as the Jews go, I am not sure they have any advantage either. Th parts of the truth to be in a safe zone. Religions or denominations do no truth. They have all been compromised by satanic forces one way or anot denominations are probably the worst. There is no freedom of thought, o there either. If you are a sabbath keeper, ya cant talk about it in sunday they kick you out. Pollce have been called on friends of mine trying to d beat up for trying to bring more bible truths to denominations. Its all per the bible says, it has become the home of every foul bird, and snake. Th

The only one who can pull rightousness together, in a way to make a dif Jesus Christ. And he will do that when the New Jerusalem comes to earth humanity. Untill that happens, any efforts by governments and alliances, even the bible tells us, when they say "peace, peace", then sudden destr

God is not to be trifled with, many nations and religions havnt figured enough, they will find out; but it will be to late. Jesus does not come bac comes back as a roaring Lion. A roaring Lion devours and conquers. And happen when this "Kingdom of God" appears. It will kill millions, if not b the faith, just from the earthquake alone, which is caused by the New Je When Jesus comes back, all hell will brake loose upon this planet. And r damned, if they dont line up in truth and right doing...

Nope its not goint to work; muslims, jews and christians joining forces, b that - sudden destruction comes... peace
